

**The most unique cruise on the Sunshine Coast!**

Book your deep sea charter on our magnificent vessel *Crusader 1*. A commercial grade, 55' Westcoaster, completely redesigned to ensure the most comfortable and memorable charter experience anywhere! Quiet, Spacious and with the highest level of safety equipment onboard, you know you are in the right hands from the moment you step aboard.

Experience the breathtaking vista of a Sunset over the stunning Sunshine Coast Coastline. Or simply bask in the warm sunshine of a typical Sunshine Coast afternoon. You will be mesmerised by the natural beauty the area has to offer.

Enjoy a TRUE Coastline cruise, taking in the spectacular views From Mout Coolum to The Glasshouse Mountains. Marvel as you watch the local marine wildlife such as dolphins, turtles, sharks and even whales close up. All from the comfort of the largest open deck charter vessel on the Sunshine Coast.

All set to a backdrop of local, indigenous inspired music, art and even "bush tucker" nibbles! We will show you the true Sunshine Coast.
